Ensure mains power supply is switched off before starting installation.

Before drilling, ensure there are no hidden cables or pipes in the wall.

Version No. 04.10.21

	Product	Vapor 50, Vapor 60 & Vapor 80
	Art. No.	Vapor 50: 51400, Vapor 60: 51500 & Vapor 80: 51600
	Product Description	Light up the room with Vapor. As you step in front of the beautifully designed mirrored doors, a proximity sensor activates radiant LED illumination and internal heated pads, which stay on for five minutes after you move away. This means you can light up your mirror, jump in the shower, and come back to mist-free glass. Ambient lighting under the cabinet adds an additional sense of luxury for an atmospheric look and feel.

Question	Answer
Nett weight (kg)	Vapor 50: 12kg / Vapor 60: 14.9kg / Vapor 80: 18.55kg
Light Source	LED
Light Source Average Lifespan	Average: 20,000 hr
Total Rated Wattage (W)	Vapor 50: 56W / Vapor 60: 82W / Vapor 80: 92W
