MERSHIELD™
STAYCLEAR

The Ultimate Leak-free Bath Screen Range

The SecureSeal by MERLYN has been designed with a leak free sealing arm which extends from the profile to create a complete seal between the bath and screen. When not in use the arm simply folds away back into the profile.

SecureSeal by MERLYN offers functional and easy to use designs to complement any bathroom space. With glass screen heights of 1500mm and 6mm glass, our SecureSeal by MERLYN range allows you to enjoy peace of mind in a leak free shower experience for years to come.

This range has been designed with the same superb materials and unrelenting attention to detail demonstrated across all MERLYN ranges.

How SecureSeal works

01.
Pull down arm
from storage
position.

02.
Extend screen and
locate panels.

03.
Fully extend and
clip into position
for a secure fit
and tight seal.

SecureSeal Lock
