- + Invisible Jet technology: the shower nozzle is perfectly integrated - hygienic and easy to clean

Multiple shower functions and maximum hygiene

- + Individual adjustment of temperature, intensity and nozzle position
- + Cleaning the shower nozzle with water before and after use
- + Rimless WC with DirectFlush technology
- + Integrated dirt filter and descaling function protect the waterways for extra long-lasting hygiene

Wide range of functions thanks to additional features

- + Dryer function adjustable to 5 levels for pleasantly warm drying
- + Seat heating: pleasant warmth that can be adjusted to individual requirements in 5 stages
- + Discreet lighting as a convenient orientation guide at night
- + Automatic odour extraction filters and neutralizes air - ideal for bathrooms without windows

Optimized handling and efficient maintenance

- + Integrated user detection prevents accidental starting of the shower or dryer function during cleaning or maintenance
- + Simple, intuitive operation via remote control or side control
- + Packaging with integrated mounting aid for easier installation
